Tort Law Specialist Certificate Program with Externship

Student Full Name: _____

Start Date: _____ End Date: _____

Program includes National Certification & an Externship Opportunity
Mentor Supported

Tort Law Specialist Certificate Program with Externship

Course Code: TJC-L-TORT
Program Duration: 6 Months
Course Contact Hours: 375
Student Tuition: \$3,799

The Tort Law Specialist

Tort law seeks to remedy civil wrongs that result in harm to person or property. The parameters of tort law specify how we assign a duty of responsibility to certain actors, assess damages, and determine the distribution of burdens for the everyday risks of harm that exist in modern society, in business and in everyday life. Tort law and mass tort actions also serve as a deterrent to harmful activity that might otherwise go unchecked.

The Tort Law Specialist Program

For those students looking toward law school or who are interested in the paralegal profession, this program offers an incredibly useful and realistic look into the actual work that lawyers and legal professionals do every day. In this program, student will have the opportunity to weight these different viewpoints, analyzing the validity of court decisions and a variety of proposals for tort policy, including various aspects of tort reform that have been proposed. This program will offer students the chance to gain the knowledge necessary to execute the delicate balance the rights and responsibilities that enables tort law to address the crucial needs of our American culture. This program presents the definitions of tort laws and describes how tort laws are applied to various situations and fact patterns. Specifically, the material will focus on basic concepts such as the intentional torts, negligence, strict liability, and products liability. Students will also explore the process of filing tort cases in court in terms of parties, pleadings, timing, and the appeals process.

Education and National Certifications

- Students should have or be pursuing a high school diploma or GED.
- There are no state approval and/or state requirements associated with this program.
- There is a National Certification exam available to students who successfully complete this program:
 - **Microsoft Office Specialist (MOS) Certification Exam.**

Program Objectives

At the conclusion of this program, students will be able to:

- Examine principles of tort law
- Examine the rules of civil procedure
- Explore the tort of negligence
- Examine proof of negligence and defenses for actions of negligence
- Examine intentional torts and defenses for intentional torts
- Examine business-related torts
- Examine privilege and immunity from tort liability
- Examine the doctrine of nuisance
- Examine strict liability
- Examine product liability law
- Examine vicarious liability law
- Examine premises liability law
- Examine ethical issues related to tort law
- Use Microsoft Office

National Certification

Upon successful completion of this Tyler Junior College (TJC) program, students would be eligible to sit for the Microsoft Office Specialist (MOS) exam. Although there are no state approval, state registration or other state requirements for this program, students who complete this program at TJC will be prepared and are eligible to sit for this national certification exam. Students who complete this program are encouraged to complete the externship option with their program. Students who complete this program can and do sit for the MOS national certification exams and are qualified, eligible and prepared to do so. TJC works with each student to complete the exam application and register the student to take their national certification exam.

Externship / Hands on Training / Practicum

Although not a requirement, once students complete the program, they have the ability to participate in an externship and/or hands on practicum so as to practice the skills necessary to perform the job requirements of a professional in this field. Students will be assisted with completing a resume and/or other requirements necessary to work in this field. All students who complete this program are eligible to participate in an externship and will be placed with a participating organization near their location. TJC works with national organizations and has the ability to place students in externship opportunities nationwide.

Tyler Junior College contact: If students have any questions regarding this program including national certification and clinical externships, **they should call Judie Bower of Tyler Junior College at | 1-800-298-5226 or via email at jbow@tjc.edu**

Note: No refunds can be issued after the start date published in your Financial Award document.

School of Continuing Studies
TYLER JUNIOR COLLEGE

About Tyler Junior College!

Welcome to Tyler Junior College! One of the oldest junior colleges in Texas, the College was established in 1926 with a mission of providing the finest academic education for freshmen and sophomore students. Tyler Junior College remains committed to that goal while also recognizing the changing role of community colleges and the need to provide quality training for technical fields. There are several unique aspects of the healthcare career programs available to students through the School of Continuing Studies at Tyler Junior College (TJC). In addition to enrollment of over 32,000 students annually, Tyler Junior College (TJC) has been the Texas leader in healthcare technician training and education programs for over 12 years. Over the last 12 years, approximately 13,000 students have successfully completed TJC's Pharmacy Technician, Dental Assisting, Medical Billing & Coding, Clinical Medical Assistant and other healthcare programs.

System Requirements:

Windows Users:

- Windows 8, 7, XP or Vista
- 56K modem or higher
- Soundcard & Speakers
- Firefox, Chrome or Microsoft Internet Explorer

Mac OS User:

- Mac OS X or higher (in classic mode)
- 56K modem or higher
- Soundcard & Speakers
- Apple Safari

iPad Users:

- Due to Flash limitations, eLearning programs are NOT compatible with iPads

Screen Resolution:

- We recommend setting your screen resolution to 1024 x 768 pixels.

Browser Requirements:

- System will support the two latest releases of each browser. When using older versions of a browser, users risk running into problems with the course software.
- Windows Users: Mozilla Firefox, Google Chrome, Microsoft Internet Explorer
- Mac OS Users: Safari, Google Chrome, Mozilla Firefox

Suggested Plug-ins:

- Flash Player
- Real Player
- Adobe Reader
- Java
